# Thank God for Tsunami & 2,000 dead Swedes!!!

How many tsunami-dead Swedes are fags & dykes? vacationing on their fat expendable incomes without kids to bother with and spend money on. With respect to each of these earthquake-dead perverts: "He shall be buried with the burial of an ass." Jer. 22:19. Maybe Sweden can pass another law – making it a crime for God to send earthquakes and tidal waves to kill vacationing Swedish fags & dykes.

## Sweden sent Pastor Ake Green to jail for preaching in his own church to his own people that homosexuality is abnormal and sinful.

*"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness." Rom. 1:18.*

Pastor Ake Green

"Hold" here means to hold down, choke, suppress. Sweden has enacted criminal laws to suppress the truth of God about fags and dykes!!!! Ergo, Sweden is under God's silent, irresistible, irreversible curse: *"For the moth shall eat them up like a garment, and the worm shall eat them like wool."* Isa. 51:8. The earthquake was a small adumbration of worse things to come for Sweden: *"And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great."* Rev. 16:18. Woe to faggot Sweden!

## SWEDEN -- "LAND OF THE SODOMITE DAMNED"

Stockholm (ENI). A Swedish court has sentenced a pastor belonging to the Pentecostal movement in Sweden, Ake Green, to a month in prison, under a law against incitement, after he was found guilty of having offended homosexuals in a sermon. Soren Andersson, the president of the Swedish federation for lesbian, gay, bisexual and transgender rights (RFSL), said on hearing the sentence that religious freedom could never be used as a reason to offend people. "Therefore," he told journalists, "I cannot regard the sentence as an act of interference with freedom of religion." During a sermon in 2003, Green described homosexuality as "abnormal, a horrible cancerous tumour in the body of society". [357 words, ENI-04-0403]
